## Two American Beauties

Here are two of the most efficient and most beautiful cars in America. These new Cole models are typical of the modern American spirit. They have clean cut lines; power and personality in abundance; are stunning and smart; are swift as a swallow—and as silent. In a word they are theogue. Each has the giant 70 horsepower eight cylinder motor. This motor has the strength of a locomotive, yet all one can hear is a soft, gentle purr.

The big, but exceptionally light touring car, is the largest Eight built. Also it is the most comfortable. Seven can be seated without crowding or squinting. The aisleway between the front seats is a marked convenience. For the big family—get the Cole Eight seven passenger touring car. For the smaller family—get the new Cole four-passenger roadster. This model is a perfect dream. It has the snappy double cowl design.

Two sit in front. Two more are easily accommodated in the roomy rear compartment. Access is provided by a wide aisleway between the front seats. All seats have that deep, soft upholstery—that luxurious easy chair comfort for which the Cole has always been noted. Just the car for the many motorists who do not require greater than four passenger capacity. Our dealers have demonstrators.

### DO YOUR CHILDREN SUFFER FROM EYESTRAIN?

Don't Answer Until You Investigate.

Theodore Roosevelt could not see what other boys saw, but he did not know it for a long time.  
And his parents did not know it until he told them.

Eye defects may be present if the child holds books too closely to the eye; if headaches are frequent; if the child is unruly, or if normal school progress is not made.

The cost of an examination, which determines whether vision is perfect, is very small and it may save years of suffering and discomfort.

Now—at school time—is the time to take action.

### What to Do When Backache Comes On

"Foley Kidney Pills have done me more good than \$150.00 worth of other medicine." Chas. N. Fox, Himrod, N. Y.  
When backache comes on and it seems as if you can't stand the pain and pressure across the small of your back, hurry to your druggist and get relief through a box of Foley Kidney Pills. They will stop the cause of that pain very quickly, spur the sluggish kidneys to regular action, enable them to throw the poisons out of the blood. They will get rid of pain and rheumatism for you, quiet your nerves, stop your backache, and limber up your stiff joints and sore muscles.  
Frank W. Sherman, Lacona, N. Y., writes: "I suffered with kidney trouble, had a tired feeling in my back, did not have any ambition and felt all tired out. I used Foley Kidney Pills and in a few days began to feel better, and now I have entirely recovered."
